Subject:

EU Regulation EC 1907/2006; Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Substances of Very High Concern (SVHC) published Candidate Lists.

On 19 January 2021 the European Chemicals Agency (ECHA) added two new substances to the Candidate List of Substances of Very High Concern. The substances were included due to their toxicity to reproduction (Article 57c).

Elgiloy Specialty Metals, a division of Combined Metals of Chicago L.L.C., has reviewed our current operations and does not knowingly add to the product or processes used to produce parts, any of the substances included on the Candidate List of Substances of Very High Concern (SVHC) at a level greater than 0.1% by weight.

If you require more information about the materials used in the products that we supply, please contact your sales representative.

Sincerely yours,

Alexandra Moore-Staub
