

January 25, 2023

**Subject: EU Regulation EC 1907/2006
Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)
Substances of Very High Concern (SVHC) published Candidate Lists, Annex XIV and
Annex XVII.**

On 17 January 2023 the European Chemicals Agency (ECHA) added nine (9) new chemicals to the Candidate List. The Candidate List of substances of very high concern now contains 233 entries for chemicals that can harm people or the environment.

Combined Metals of Chicago LLC and its associated business units, including Elgiloy Specialty Metals, does not add to the products that we process any of the substances listed on the REACH Candidate List of Substances of Very High Concern (SVHC), at a level greater than 0.1% by weight.

If you require more information about the materials used in the products that we supply, please contact your sales representative.

Sincerely yours,

Alexandra Moore-Staub
